

GUIDELINES FOR RECIPIENTS OF *MEDIUM ÆVUM* CONFERENCE GRANTS

If you have been awarded a conference grant by the Society, please note the following conditions under which it has been made (and in addition to the general conditions for applications available at <http://aevum.space/conferences/funding>, any others mentioned in correspondence with you).

Unless we expressly agree to do otherwise, the Society's policy is to disburse funds:

- * after an event has taken place, upon production of a brief statement of accounts and scanned receipts
- * only for the uses laid down in the original application
- * directly to the conference organizers specified in the original application. We are unable to pay funds directly to third parties (e.g. the venue hosting your conference, or your nominated bursary recipients)
- * in Pounds Sterling.

Finally, we cannot award funds where you have subsequently secured funding for identical purposes.
